Wednesday June 25th 2014

6.30pm - 9pm at

119 - 1013 17th Avenue SW, Calgary

Our Vine & Dine evenings last November, February and April this year here, were so enjoyable and the food was so good, that we'll be coming back for occasional evenings throughout 2014.

Heaven Artisan GF Cuisine is a 100% gluten-free restaurant - but you don't have to be gluten-free to enjoy this delicious food!

Chef/owner Patricia Capuzzi takes immense pride in being able to take care of people with all dietary restrictions, while also taking immense pride in creating dishes that are both flavourful and hearty. Her food is safe but never boring or tasteless.

Join us at this little jewel of a restaurant; there are only 24 places available in this tiny bistro, and enjoy six dishes from Patricia's brand new menu showcasing dishes from her Venezuelan and Italian heritage, and learn about and taste the six wonderful organic wines that complement them!

Only \$77.50 + gst per person (includes gratuity)
