CHANDON

For one night only, we're delighted to announce a

## *Winemaker's Dinner*

Thursday April 23rd

6:30 ~ 9:00pm at

**eldorado**  
Barbecue Lounge

620 8th Avenue SW, Calgary

*Join the exceptionally talented Tom Tiburzi, Chief Winemaker at Domaine Chandon in the Napa Valley, for a very special evening as he takes us through his prestigious wines and stories of the region.*

*In 1973, Domaine Chandon became the first French-owned sparkling wine venture in the United States, but Chandon's beginnings date back to 1690 when a Benedictine monk and cellar-master at the Abbey of Hautvillers, Dom Pérignon, set out to unlock the secret of sparkling wine and ultimately developed the traditional champagne method.*

*After a cocktail reception with canapes, we'll enjoy a delicious four course meal of Eldorado's flavourful low and slow food. This brand new restaurant is earning quite the reputation for fresh, authentic, casual yet elegant, food. Meats are all smoked in-house and the sauces prepared daily from as much local produce as possible.*

*It's going to be a special night, so reserve your place now!*

Only \$82.50 per person + grats & gst
