THE EMBARCADERO

208 17th Avenue SE, Calgary

Embarcadero is celebrating 20 years of continuously serving gourmet food to Calgarians, so it's not before time that Vine & Dine comes to enjoy this local eatery!

The historic red brick house has lovely architectural details, and we will be smaller groups for our November evenings in the second floor Gallery dining room.

Named after the waterfront district in San Francisco, Embarcadero means "landing place" in Spanish. It is said that this casual restaurant feels like a pub but tastes like fine dining as everything is made in house, so join us to enjoy six delicious dishes of Embarcadero's gourmet menu and learn about and taste the six wines that complement them!

Only \$69.50 per person + grats & gst
