Corks and Talks evenings with Brian Keating!*

“Winter Escapes”

with CBC's **Brian Keating**

Tuesday October 25, 2016

6:30-9:30pm at

255, 28th Street SE, Calgary (off Memorial Drive)

He's back! International speaker Brian Keating is taking us on brand new adventures this autumn that only he can tell, because he was there, watching and filming, right in the thick of things. He will lead us to fascinating places, exploring the home of some of the planet's most beautiful, yet strangest, life forms. These are new stories of wildlife discovery that takes place in the most remote forests and rivers of Ethiopia, Zimbabwe, Rwanda, Galápagos, Sea of Cortez, and something special from our own Calgary backyard.

Join us at Safari Grill, where as well as Brian's stories and videos, we will enjoy six courses of outstanding and authentic East African Cuisine, for a unique culinary experience of rich and flavourful, satisfying food, and learn about the six wines that complement this delicious food.

Choose Tuesday October 25, or there's different stories, menu and videos Monday November 28, or for corporate groups Monday December 12!
